\$439,000

3 Bedroom, 2.00 Bathroom, 1,782 sqft
Residential on 7 Acres

N/A, Accord, NY

Rare contemporary stone house on 7 acres with pond, in-ground pool and lots of privacy. The downstairs features a large, open plan living, dining, and kitchen area, as well as separate guest quarters with bedroom, full bath, and direct access to outdoors and the pool. There are two loft-like bedrooms and one bath on the second level. Even though the wood-stove heats the main house while you're there and keeps it cozy during the winter, there is a state-of-the-art propane fired hot water baseboard heating system. The pool is awesome, completely private and close enough to the house so you can easily carry drinks, food etc to and from. There are spots for hammocks and a terrace for garden furniture, plenty of space to park cars and a good amount of lawn to play.

Built in 1988
